

June 25, 2016 Daily Update provided by Fred Whistle, AV Water

a.Order 2016-2

Item 4. Water Conservation measures were sent out to media on Friday June 24 2016 in conjunction with San Juan County Emergency Management at 9:53pm. See below forwarded email.

Item 6. A daily update will be sent on Monday June 27 by the close of business hours and each day following by close of business hours.

For your information. Water service has been restored to all customers as of Friday morning June 24. Morningstar system is fully functioning. Hydro-Pure is continuing to haul water to the Star Heights tank over the weekend as a safety measure.

Respectfully,
Fred Whistle
